

## FILTER BIN RENTALS

### OKLAHOMA & TEXAS

Rose Rock provides specialty waste bin solutions to a variety of clients. Services include delivering a waste bin on the client's facility, collecting the bin at a later date, providing a replacement bin so that the client is never without a disposal method, and properly disposing of all collected waste. Rose Rock profiles, manifests, and disposes of the collected materials according to local, state, and federal law and provides clients with any appropriate paperwork. Our specialty waste bin solution provides a convenient service and alleviates the client's concern by ensuring a waste bin will always be on location and disposed of by a qualified, experienced team. Rose Rock currently provides these services at hundreds of locations primarily across Oklahoma and Texas for clients including: Targa Resources, Marathon Petroleum, MarkWest Energy Partners, DCP Midstream, Williams Energy, Navitas, Energy, Cardinal Midstream, Marathon Petroleum Corporation, Enterprise Products Partners, Iron Horse Midstream, and many others.
